AARTHI M V

AI & Data Science Undergraduate | Emerging Full-Stack Developer

Enthusiastic B.Tech student specializing in Artificial Intelligence and Data Science (AI&DS) with a strong passion for building smart web applications and solving real-world problems. Proficient in HTML, CSS, JavaScript, and Python, with additional expertise in tools like Excel and Power BI. Experienced in developing multiple web projects that demonstrate creativity, technical expertise, and problem-solving skills. Driven by creativity and a commitment to delivering high-quality work, aiming to become a standout full-stack developer and UI/UX designer while contributing to innovative and impactful projects.

EDUCATION

B.Tech Artificial Intelligence & Data Science

K.S.Rangasamy College of Technology

09/2024 - Present

- CGPA: 8.5

ACHIEVEMENTS

Successfully completed Google's Virtual Internship on Machine Learning.

Participated in college-level seminars and paper presentations.

Participated and selected in HACKATHON 2025 conducted by ICT ACADEMY

EXPERIENCE

Machine Learning Intern (Online)

Google (Virtual Internship Program)

06/2025 - 07/2025

Tasks

- Completed a hands-on internship focused on core machine learning techniques using real-world datasets.
- Developed and trained ML models using Python, scikit-learn, and TensorFlow.
- Gained experience in supervised and unsupervised learning.
- Enhanced foundational knowledge of AI, data preprocessing, and real-time ML applications.

LANGUAGES

English
Professional Working Proficiency

Tamil
Full Professional Proficiency

SKILLS

HTML,CSS ,JavaScript , Python

Microsoft Excel

AI & Machine Learning (Basics)

PERSONAL PROJECTS

Freshora Supermarket – Where Fresh Meets More

Fresh groceries, daily essentials, great deals, and doorstep delivery all in one place.

Green Fields – Digital Farming Assistant

Smart crop planning, better yields and local storage using HTML, CSS, and JavaScript.

ORGANIZATIONS

Google (Virtual Internship Program)
(06/2025 - 07/2025)
Machine Learning Intern

CERTIFICATES

- Python for Data Science
- HACKATHON 2025 – ICT ACADEMY

INTERESTS

- Full Stack Development
- Artificial Intelligence
- Data Analytics
- Machine Learning
